Frequency: every three years

Language: the Polish and English version

Publication date: 2013-06-27

By : voivodship, selected information by subregion, powiat, gmina and town

Summary:

The publication is a thematic study which describes tourist accommodation facilities.

It consists of two parts, descriptive and tables.

The descriptive section presents methodological notes, voivodship characteristic, natural tourist advantages and some analytic notes.

The tables show figures on accomodation facilities, border traffic and the activity of PTTK. In order to provide a complete picture of the subject, maps, diagrams and photos are included.
